

## DATA SHEET

### Air Filtration Unit AFU 300/600

Scott Health & Safety's AFU airline filter units can be free standing or, removed from the stand provided, wall mounted. The AFU300 is for one user operation and the AFU600 will supply two users.

- 2 stage filtration of particle, oil and water impurities, plus charcoal odour filtration
- Auto-drain on shutdown
- Pop-up indicator shows when elements need renewal
- Easy filter element
